

envia_comando

```
graph TD; A([envia_comando]) --> B[Coloca o comando na saída]; B --> C[Reseta o RS]; C --> D[pulso()]; D --> E([fim]);
```

The flowchart consists of five steps connected by downward-pointing blue arrows. The first and last steps are pink rounded rectangles, while the middle three are blue rectangles. The fourth step is a green rectangle with vertical white lines on its left and right sides.
